Blips

*The thinnest lenses for
smartphone and tablet in the
world.*

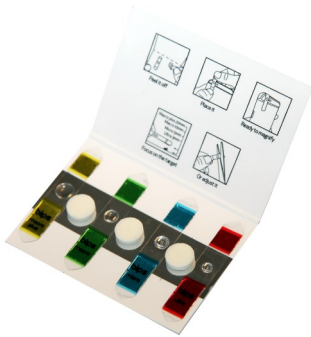

Macro Kit

Made of Macro Plus and Macro lenses, this kit is the ideal solution for the lovers of macro photography!

The kit contains:

- 1 Macro Plus lens (5x)
- 1 Macro lens (10x)
- Spare, multi-usable adhesive tape included
- Free App (iOS & Android compatible)

Full Kit

Composed of 4 Blips lenses, for macro-photography and microscopy experiences.

Two 5x and 10x lenses, for macro photography

Two 20x and 33x lenses, for microscopy applications.

The most powerful lenses (Micro and Ultra) provide their best performance in transmitted light, with thin samples.

Transform your smartphone into
a digital microscope!
